

Girls, Get Your Hands Dirty!

The Girl Scout Cycling Program, along with Recycle-a-Bicycle, will offer a five-week bike mechanics training course to Older Girl Scouts on Saturdays this fall.

Courses begin on September 30, 2006 at the Long Island City Recycle-a-Bicycle education center and will be limited to only 20 Girl Scouts. Register now for only \$10!

Morning sessions will run from 10:00am – 12:00pm and afternoon sessions will run from 12:30pm – 2:30pm. Girls should choose which session they would prefer on the registration form, available here for download.

Bikes will be provided by Recycle-a-Bicycle, as well as all tools and supplies.

Troops are welcome!
