The Nursing Lab

What is the *Nursing Lab* program?

Through the generosity of The Beatrice Renfield Foundation, Girl Scouts can continue to learn about the highly regarded nursing profession that serves as the backbone of our health care system. The Nursing Patch Program is an exciting and educational program that helps Girl Scouts recognize the invaluable services that nurses provide for patients, families, and communities. This program teaches girls how essential nurses are to providing high quality health care to patients in hospitals, schools, and homes. Girls participating in this patch program can enjoy activities that include learning the different body functions, how to respond in emergency situations, and interviewing nurses.

How does *the Nursing Lab* program work with the Girl Scouts?

You can choose to participate in the program at your own troop meeting. You can also choose to participate in a one-day event offered during the Girl Scout year.

What is included in the *Nursing Lab* program?

There are requirements for each level of Nursing Lab program which can be found on the Girl Scout website.

How do I request the *Nursing Lab* program?

The requirements for the Nursing Lab can be found on the Girl Scout website at www.girlscoutsnyc.org.

Who can participate in the *Nursing Lab* program?

Brownies, Juniors, Cadettes and Seniors can participate in the Nursing Lab program.

What is the procedure for ordering the *Nursing Lab* patch for my troop?

The cost of the patch is \$2.00 each. In order to receive the patches you will have to fill out the patch order form and mail the completed form along with the payment, postage fee and Nursing evaluation to: **Girl Scout Council of Greater New York, 43 West 23rd Street New York, NY 10010 Attn: Nicole Torres**. Upon receipt of your evaluation and payment, patches will then be mailed out.

If you have any questions, please contact Nicole Torres, Coordinator of Younger Girl Programs at (212) 645-4000 ext. 252.
