## Program Survey for Daisy and Brownie Girl Scouts

### WHAT DO YOU THINK?

Dear Leader:

Please help your girls with this survey. You may choose to discuss the questions with the girls and then fill-in one form to give a summary of their answers, or help each girl to fill in her own. They may refer to the specific program you have just completed, or any part of their Girl Scout experience. Please return with your Leader Survey Form. Input from girls helps us with future program planning. Thank you!
