REQUEST-A-VOLUNTEER APPLICATION FORM

Many adult volunteers have offered to share a skill or an interest with a troop or group. These volunteers have made a commitment to help leaders impact the lives of girls in our communities.

**Safety-Wise:** All applicants who volunteer to help with troops / groups will register with GSCGNY, fill out an adult application and have references checked before they are matched with a troop or group. All troop / group information is kept confidential. Leaders will be given contact information for their matched volunteer—and will contact them individually.
