

Mugging for the Holidays

Sign up your troop now!

Color Me Mine is offering an inexpensive opportunity for Girl Scouts to learn fun techniques.

“Mugging” was developed exclusively for Girl Scouts so they can take home these cute, yet functional ceramics. All pieces are microwave and dishwasher safe.

Also, have your troop learn why we should recycle and what are some of the ways we can recycle everyday. When we use cups that we throw away they end up in landfills which are already starting to overflow.

Sessions are an hour long. Cost is \$15 per child for 1 mug (plus tax). Includes a patch, ceramic piece, glazing and firing and tons of fun while learning. Free delivery is available for parties of 30 or more.

Color Me Mine also comes to you. Cost for an instructor to go to your venue is \$150.

Color Me Mine is

the leader in the Paint Your Own Pottery Studios. Our New York City location has over 400 pieces to choose from, once you made your selection you can paint it anyway you like, we take care of the glazing and firing and it's ready within a week. We have an exclusive design center with 60 colors, brushes, stencils, stamps and a computer with over 25,000 images to download and trace on to the pieces.
