

Liberty Science Center Camp in Program

Camp-Ins are available to youth groups of 20 or more and are open on all-boy, all-girl, and co-ed nights. The cost per person is \$55.00. A chaperone to child ratio of 1:5 is required and campers need to be in first through eighth grade. The Camp-In begins at 6:00 pm and ends at 9:00 am, however, campers are welcome to remain in the building the entire next day.

Camp-In participants also receive snack, breakfast, a presentation in the IMAX® Dome Theater, and a HI-DEF 3D Show in the Joseph D. Williams Science Theater.

Camp-Ins can help your scouts work toward their badges!

All youth campers receive a souvenir patch that allows the camper free admission to the exhibit floor through September 1, 2009.

To Book please call (201) 253-1310.
