About the Girl Scout Council of Greater New York:

"Girl Scout programs help make dreams come true for girls throughout our city, instilling self-confidence and strong values while also building competence in specific skills including financial literacy, science, math and environmental training," said Girl Scout Council **Board President Patricia Stensrud**.

The Girl Scout Council of Greater New York offers the Girl Scout program to all girls in the five boroughs of New York City. Approximately two-thirds of our girls are from low-income families and our membership reflects the diversity of our many communities. Funds raised at the Tribute Dinner prepare today's Girl Scouts to lead today as well as tomorrow, fulfilling our mission of building girls of courage, confidence and character, who make their communities and the world a better place.
